

Big Lake Recreation - Services Overview

It's Time to Enjoy the Lake - We'll Handle the Rest

Boating should be about enjoying time on the water - not coordinating multiple service shops. Big Lake Recreation exists to make boating easier for owners in the Sandpoint area by providing a true one-stop solution for boat care. From maintenance and detailing to storage and seasonal preparation, our experienced team manages every aspect of the process. If a service is not performed in house, we coordinate trusted community partners and oversee the entire project so our customers only ever need to communicate with one team.
